

Simulation Summary

Simulation started at: 2026-01-18 09:07:42

Exported at: 2026-01-18 09:08:25

at simulation step: 202.0

Filter applied: Vehicle color = RED, Only congested edges

Total number of congested edges: 0

Total number of traffic lights: 10

Total number of vehicles injected with color RED: 8

Edge ID	No. of Lanes	Length (m)
---------	--------------	------------
