

# Simulation Summary

Simulation started at: 2026-01-18 09:07:42

Exported at: 2026-01-18 09:09:05

at simulation step: 393.0

Filter applied: Vehicle color = RED, Only congested edges

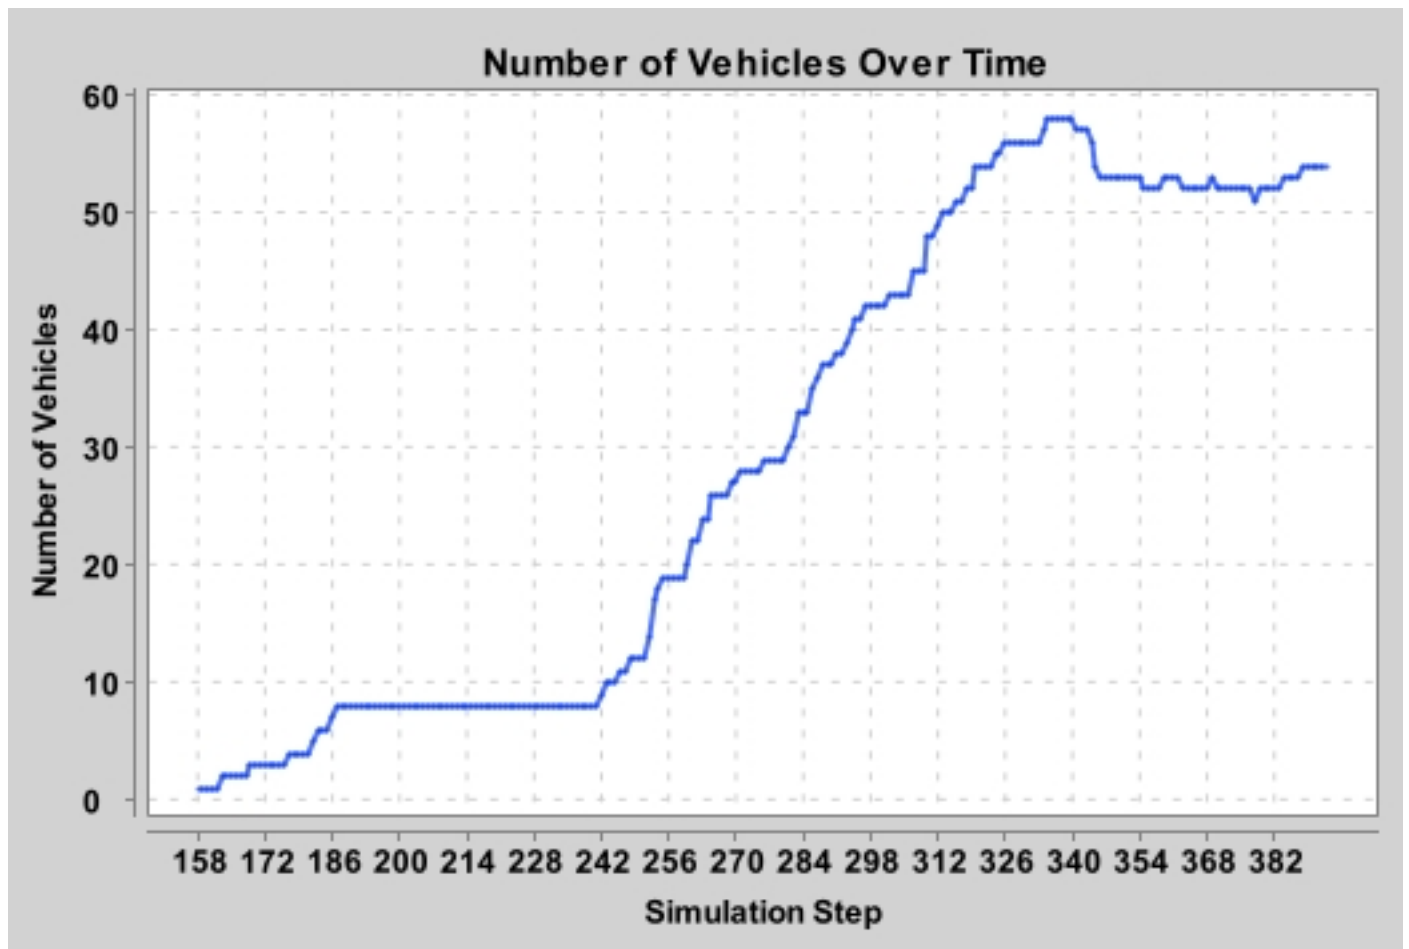

Total number of congested edges: 3

Congested edge ID: [-E24, E23, E24]

Total number of traffic lights: 10

Total number of vehicles injected with color RED: 65

Edge ID	No. of Lanes	Length (m)
-E24	3	178.65
E23	3	165.07
E24	3	178.65

Number of Congested Ed

Number of Congested Edges Over Time
